You can't see your own face in profile with one mirror. Is that really true? What if I whip around really quickly like this...wip!! And wip!! If I look toward the mirror like that...! Wouldn't I be able to see an afterimage or something!? Wip!! Wip!! Krak!! ...!!

-Eiichiro Oda, 1998

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

EIICHIRO ODA

Don Krieg
Commander of the
Pirate Armada.

Chef Zeff
A peg-legged pirate
who runs the Baratie.

Roronoa Zoro
A former bounty hunter
and master of the "three-
sword" fighting style.

Nami
A thief who specializes in
robbing pirates. Nami hates
pirates, but Luffy convinced her
to join his crew as navigator.

Usopp
The newest addition to Luffy's
crew, Usopp's known for his tall
tales, but he has a way with a
slingshot and a heart of gold.

Gin

Monkey D. Luffy
Boundlessly optimistic and
able to stretch like rubber,
he is determined to
become King of the Pirates.

Sanji
The merciful sous-chef and maitre d'
on the oceangoing restaurant Baratie.
He's a ladies' man with a keen sense
of taste.

"Red-Haired" Shanks
A pirate captain who saved the young
Luffy's life and inspired him to be a pirate.

Luffy and his crew sail to Baratie, the oceangoing restaurant, to find themselves a ship's cook. There Luffy takes a liking to the arrogant-but-merciful Sanji and asks him to join the crew. Unfortunately, before he can be recruited, Don Krieg and his 5,000 pirates arrive on the scene. After Sanji takes pity on the starving Krieg and gives him food, Krieg is completely revitalized. But the pirate repays good with evil by trying to take over the ship! So the battle for the Baratie begins. Then suddenly the sea rumbles and "Hawk Eyes" Mihawk, reputed to be the world's greatest swordsman, appears. Zoro, who aspires to win that title for himself, challenges Mihawk. Zoro is defeated, but vows never to lose again. Mihawk departs and the deadly battle with the Krieg Pirates resumes...

THE STORY OF ONE PIECE Volume 7

Monkey D. Luffy started out as just a kid with a dream—and that dream was to become the greatest pirate in history! Stirred by the tales of pirate "Red-Haired" Shanks, Luffy vowed to become a pirate himself. That was before the enchanted Devil Fruit gave Luffy the power to stretch like rubber, at the cost of being unable to swim—a serious handicap for an aspiring sea dog. Undeterred, Luffy set out to sea, and recruited some crewmates: lying sharpshooter Usopp, master swordsman Zoro and treasure-hunting thief Nami.

Q: (Question) Master Ei, what time is it now?

A: (Oda's answer) Um, nine past...midnight! It's time for Question Corner!!

Q: Does Shanks like me?

A: I don't know.

Q: Oda Sensei! The other day a friend said, "I've got the perfect Devil Fruit for you" and he gave me some strange-looking fruit and I ate it. It might be my imagination, but ever since then, I feel like all the jokes I tell are flops.

A: Oh...You ate that one, eh? Yes, I know that one. It's definitely a Samu-Samu (chilly-chilly) Fruit. When you eat that fruit, only really Bad (chilly) jokes come out of your mouth. And you can't swim, of course. It's kind of like being stepped on...and then kicked. Ha ha ha ha! Laugh. Go on, laugh! Ha ha ha ha.

Q: In volume 1, when the mountain bandits enter the tavern, they break down the door, so why is it fixed when they leave?

A: That's Mr. Minatomo, the carpenter's doing. He's very impatient, so if he sees something like a Broken door, he has to fix it right away. It was certainly not a mistake on my part.

HE
BOUNCED
IT
BACK!!!

HOT,
HOT...

HOT!!!

Q: Why do Sanji's eyebrows circle up at the ends? Is it a fashion statement? If you ask me, it's lame!!

A: Hey!! Sit down, now!! Listen!! All people owe their lives to circling!! The Sun and the Moon and the Earth all go around in circles. What if the circling of the Earth suddenly stopped!! The whole world would be deluged by gigantic waves and there would be a terrible disaster!! So remember that Sanji's eyebrows have that kind of energy!! Repent!! Dismissed!!

Q: A question. How old is Sanji?

A: 19 years old--just like Zoro.

Q: Nami, Nami, Nami, Nami! I love Nami!

I won't give Nami up to the likes of Sanji!! Therefore, I challenge him to a duel for Nami. Tomorrow afternoon at 3:00, on the Red Line. Don't you run from me! Is that okay, Oda Sensei?

A: Okay!! Fight!!

Q: How many assistants do you have? What kind of things do they do?

A: I have four. They help with the backgrounds and stuff like that. They come to help for two nights and three days each week, sleeping over. Frankly, without these people it would be impossible to complete a script in a week. But it's a really goofy workplace, so we have a lot of fun working on the manga.

Chapter 56: ***I REFUSE***

NOW
HE'S JUST A
COOK. I GOT
NO PROBLEM
SPLATTERIN' HIS
BRAINS ON THE

IF WE EAT NORMALLY, IT'LL LAST MAYBE FIVE DAYS.

Q: Question. How fast can Captain Kuro run 100 meters?

A: To be honest, it's difficult to measure his speed accurately, but it would be less than, say, five seconds. Think in the four second range. Wow! A world record.

Q: Do Patty and Carne's names come from "spaghetti" and "calzone"?

A: Hmm! They come from cooking-related words to be sure, but not those. Patty comes from pâtissier, a pastry chef in charge of desserts. Carne comes directly from the Spanish word for meat dishes.

Q: If Luffy is 7,200 Funky Gum-Gums, then is Sanji about 8,500 Funky Ero-Ero?

A: No, not quite. More like 930 märchen Ero-Ero.

Q: Can't the *One Piece* graphic novel be a little cheaper? (About 100 yen...)

A: Right now it's 410 yen per volume, right? And Jump is 220 yen... When I was in elementary school, graphic novels cost 360 yen per volume and Jump cost 170 yen. But the price of all goods has risen, so it can't be helped. Everyone is in the same boat. 100 yen just isn't possible.

Q: Sensei! When you are drawing *One Piece* characters and Luffy is mad, does your face look mad or tense too? Tell me!! Mine does.

A: It does, yes. I make lots of faces when I draw. When I drew the double-page spread of the breakup of Usopp's pirate crew, my face got very tired. I was making a crying face the whole time I drew it, and my face started to cramp.

THERE!!

Q: Zeff of the oceangoing restaurant has braids under his nose.
Is that a mustache? Nose hair? Fake hair?

A: They're "phony tails." The scientific name is "phonus Bolognus tails."

Q: Oda Sensei, I'm Akinori! I thought of an amazing move!
1. Luffy stretches his arm. 2. Zoro cuts that arm off. 3. The arm
goes flying. (Note: this technique can only be used twice!)

A: Hey hey hey...

Q: Dear Odakins ♡, I'm your fiancée. When are we going to get
married? How about 11/1? We're going to kiss at the
wedding, right!? Oooh, how exciting! ♡ Smack! ♡
Actually, I'm Namie Amuro's younger sister. ♡

A: Okay. I'll visit you in the hospital.

Q: This is to the guy who said that Zoro's sash made him look like an
old man in the Question Corner in volume 4!! It's your problem,
man!! At first, I also thought, "a cool guy like Zoro, in a sash?" but if
that's part of Zoro, I accept it! Yes, I accept it!! So you should, too!
Okay, let's be friends!

A: Wow! Friendship Blossoming Between my readers! How heartwarming.

Q: Buggy's top half can fly, right? (Or float, anyway.) Then it should be
able to fly to the Grand Line. So why doesn't he?

A: He can't go that far. The powers of the Chop-Chop Fruit have
limits. His body parts can only scatter up to a diameter of
200 Chop-Chops. Once this limit is exceeded, control is no
longer possible.

**ONLY A

Q: Did you know that Koby's father is the world champion of jumping rope?

A: Really? I didn't know that. Koby's dad is very impressive...

Q: Is it true that Klahadore has a pet mammoth?

A: Really? I didn't know that either. Was there one at the mansion?

Q: What are your selection criteria for Usopp's Pirate Gallery?

A: Naturally, I consider skill, how interesting it is, style...But the most important thing is the spirit you convey in the postcard. Yeah.

Q: The other day while I was working at the fruit stand, this smart-aleck kid said, "You don't have Gum-Gum Fruit? What a dork." If a kid like that comes again, what should I say? Please tell me. (I'm serious.)

A: In a case like that, each character would probably respond as follows:

Makino: "You're right, I'm sorry we don't stock it."

(Be an adult and let it pass.)

Shanks: "Ha ha ha ha ha!! You're ten years too young for a Devil Fruit!!" (Taunt him.)

Luffy: "I'll send you flying, right now." (No mercy.)

Try whichever approach you like--But don't hold me responsible.

Q: Please do a character popularity poll!!

A: Well, I won't be doing it in the comic book, but I did it in *Weekly Shonen Jump* and the results are in, so I'll present them on page 148.

(I think this poll was taken two or three weeks after Chapter 49: Storm came out.)
